KINGHOE,
GT. BERKHAMSTED,
HERTS. 24. 1. 05.

Dear Sir,

I enclose form of application signed and shall be obliged if you will kindly do the rest.

My speciality, I may mention, are Greek and Roman numismatics, especially the former, and if any of your friends happened to be interested, I would, with pleasure, send them some good things on approval.

There are also some good American coins I should like to dispose of, e.g. the 1792 Washington Cent with filleted naked bust. Rev:

eagle with Field, CENT. Perfect original. Only about eight known. Winsor's sold for 125 dollars, and last example (Murdoch's, July 1903) in London £14.15/- plus agent's commission (£15.9/9). I would be satisfied with 70 dollars.

Also, Pine Tree shilling of 1652, thickly in brilliant mint state, and, I am informed, most rare in such perfection. The Numismatist, May 1904, page 150, reports one sold lately for 65 dollars. I would be satisfied with 27 dollars.

Perhaps you could let me know by return, and if the coins are un-sold, I would be willing to send them on approval.

Yours faithfully

E. J. Seltman.

I lately wrote to Mr Frey, enclosing subscription for 1905, and asking him if he would kindly forward it.

member of the Amer. Num. Association. Might I enquire
Coins – Greek and Roman coins, or American, British,
tal coins, siege pieces and medals? I have fine
ll classes, and should be responsible for their authenticity
if you cared to have the offer of any. Should you want me to send
anything on approval, perhaps you will kindly mention the
customary reference. A dealer's name is sufficient.

I remain, Sir,

Yours faithfully
